

COME AND GLIDE WITH US OPEN FUN FLYING DAY SUNDAY 25 NOVEMBER 2018

Lake George Soaring League invites you to bring your electric assist, bungee or winch launch glider to our club site.

The aim of the day is to have fun and perhaps improve your gliding skills. There will be experienced members present who will be able to assist you with :

- ◆ **General glider setup;**
- ◆ **A hands on glider experience/fly;**
- ◆ **Testing of new models;**
- ◆ **Thermalling skills & principles;**
- ◆ **How to bungee and winch launch (equipment supplied)**

For a gold coin donation there will be a sausage sizzle lunch and soft drinks/water available so make it a full day and put it on your calendar now.

You will be flying at perhaps the best RC glider site in Australia. Entry to the Lake is via an access track and gate located to the left just before the lower Anderson VC rest area at Lake George. Find us at:
